Bring your barbecue and tailgate game up to unheard-of levels with this awesome spin on the conventional can or bottle cooler. This neoprene beverage cooler is hiding a secret a strong magnet that lets you stick your favorite beverage to a car, refrigerator, filing cabinet, toolbox or other flat metal surface. Choose from a wide variety of colors and shades, and add your school, sports team, company, club, charity or organizational logo to craft the ultimate accessory for a tailgate, outdoor barbecue, pool party or other event. Stick it to the competition with this great item!
